## DECLARATION OF W. SCOTT PETTY

Commissioner for Patents  
Washington, D.C. 20231

1. I am counsel for General Electric Capital Corporation, the Assignee of pending Non-Provisional Patent Application No. 09/766,779.
2. I received the fully executed Assignment transferring ownership of the invention and the above-styled non-provisional patent application from the inventors, Messrs. Paul Foster, David Shea and Robert Rieger, to General Electric Capital Corporation on or before January 22, 2001. Each of the identified inventors signed the Assignment in accordance with employee policy at General Electric Capital Corporation.
3. Although the inventors failed to arrange for a Notary Public to witness execution by each inventor of the Assignment, I understand that there is no formal requirement at the Patent Office for a signed notarial statement to complete the Assignment of the invention and pending patent application from each of the inventors to General Electric Capital Corporation.
4. As I transmitted to the Patent Office the fully executed Assignment for recordation on January 22, 2001, the execution date for the Assignment is at least as early as the date I placed that signed document in the U.S. mail to the Patent Office, namely, January 22, 2001.

RECEIVED  
JUN 2 2001  
OIP/JSWS

5. To the best of my knowledge and belief, the statements in this Declaration are true and correct.
